MANIFESTO

*A Song Of Celebration And Surrender
To The Human Condition*

lovethislife...

is about celebrating the moment
and that we're not guaranteed or owed another day
and how cool it is that what we hide
can actually be the fuel towards our glory
and that it's not so bad being proven wrong

lovethislife...

is about welcoming the blind turn
and the possibility
that there's no such thing as coincidence
and that empathy is incredibly sexy
and that it's never too late to pick up a guitar
or a paintbrush
or to make an amend
or to make a new friend

lovethislife...

could be about rekindling a past flame
or igniting a new one
or shapeshifting from a dreamer into a doer
or savouring the caress of a love long gone

lovethislife...

means whatever it is you want it to mean
because

lovethislife...

is a celebration of you and your path

lovethislife...

'cuz it could go at any second

you rock.
